Dear Supervisors:

**AUTHORIZE THE LOS ANGELES COUNTY SHERIFF'S DEPARTMENT
TO PURCHASE THREE INMATE TRANSPORTATION BUSES
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

The recommended action will allow the Los Angeles County Sheriff's Department (Department) to replace aging inmate transportation buses.

IT IS RECOMMENDED THAT YOUR BOARD:

Authorize the Los Angeles County's (County) purchasing agent to proceed with the purchase of three prisoner transportation buses costing in excess of \$250,000 each.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

The Department plans to purchase three inmate transportation buses as part of an effort to replace its aging fleet. The three buses will cost approximately \$479,906 each, plus tax. The Department is requesting approval to purchase these three buses, consistent with your policy requiring Board approval of fixed assets costing more than \$250,000.

A Tradition of Service

Background

The Department currently operates 86 prisoner transportation coach-style buses that, in total, are driven more than 2.4 million miles in a typical year. Based on industry standards, the buses should be replaced after 12 years or 500,000 miles. However, the Department has not kept pace with its ongoing bus replacement needs in the last decade due to budget constraints. The Department currently has 47 buses that meet or exceed the replacement criteria. The age and condition of these buses have resulted in several untimely breakdowns.

Implementation of Strategic Plan Goals

The recommendations are consistent with the County's Strategic Plan Goal 1, Operational Effectiveness, by reducing fleet downtime for repairs and maintenance; Goal 5, Public Safety, as these recommendations support our public safety mission.

FISCAL IMPACT/FINANCING

Funding for the three buses exists within the Department's Processing Fee Fund.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Your approval is required in order to purchase fixed asset items in excess of \$250,000. This Board letter has been reviewed and approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This action will improve the operation of the Inmate Transportation Program. The purchase of replacement buses will greatly reduce the risk of buses breaking down, including the associated disruptions when inmates are on board.

CONTRACTING PROCESS

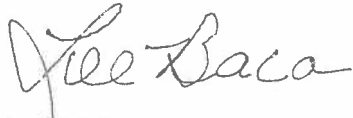

This is a commodity purchase under the statutory authority of the purchasing agent. The purchase will be requisitioned through, and accomplished by, the purchasing agent in accordance with the County's purchasing policies and procedures established by the County's Internal Services Department.
